Dear NC District 11 Democratic Convention Delegate,

I'm excited to announce my candidacy for Chair of the North Carolina Congressional District 11 Democratic Party. My experience and political acumen meet the requirements needed to fulfill this position.

Serving 6 years as Buncombe County Democratic Party Chair, and another 2 years as BCDP Secretary, I proudly assumed the responsibility of empowering a strong team of volunteers in the creation and implementation of our Strategic Plan. Our BCDP officers embraced their roles as outlined in the North Carolina Democratic Party Plan of Organization, leading teams in precinct organization, training, and communications.

Currently, as team lead in the development of our District's first Strategic Plan, I'm actively collaborating with other members of the District 11 Executive Committee in the creation of a plan which will outline reasonable and attainable goals. The objectives are achievable, and I have assembled a team that can implement this plan. As your nominee for Chair of the North Carolina Democratic Party 11th Congressional District, you can expect more.

I am also pleased to announce that I am running with a slate of bright, hardworking people that are each excellent candidates with remarkable experience. Thank you for your time and consideration. We would greatly appreciate your support of our slate of candidates.

Thank you,
Kathy Sinclair
